Based on Arvig service area, some restrictions apply. Customer must subscribe to an adequate speed of Arvig internet service. A typical Arvig WiFi TV stream requires 5Mb. A free Amazon account with a valid billing address is required to use the Fire TV Stick. See Arvig for details. Product details, channel lineups, pricing and availability subject to change without notice. *Available applications vary by device type—see list of Supported Devices at arvig.net/wifitv. Cloud DVR recordings can be viewed outside the home on an individual show and/or network basis. Not all content is available in HD. If you are unsure if your device supports HD, your device manufacturer will be able to help. Replay TV is enabled/disabled on an individual show and/or network basis. Some networks have applications you can download to your device. Visit your device's app store and login with your WatchTVEverywhere username and password when prompted for authentication. ©Arvig 2019
